<b>Block 4</b> 12:55-2:25	B	D	A	C	E

## **FOLLY QUARTER MIDDLE SCHOOL SCHEDULE**

The school class schedule rotates over a 5 day period. Students see their core academic teachers 3 days out of 5 each week and alternate their related arts teachers every other day.

The CORE+ class is an extension of block 3 which accommodates students who take additional classes such as band, orchestra, chorus or a world language.

If school is closed due to inclement weather, the schedule will skip that color day or days.
