The LEO Club is a youth service organization affiliate with the larger Lions Club International. Our local affiliate Lions Club is the Glenwood Chapter, which supports LEO clubs at Bushy Park Elementary, Lisbon Elementary, Glenwood Middle, and Folly Quarter Middle Schools. The Leo Club's mission is "to provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community." Our goal will be to not only help make life better for others, but also expand our own horizons. As a club, we will work together to identify needs in the community and design activities for the school which will help meet those needs. Meets on Wednesdays starting September 28th.
