

## SY 16-17 Folly Quarter “NEST” Schedule

50-minute classes

30-minute lunches

No passing times

In an effort to enhance our ability to create a “*student-centered*” school-wide climate and provide the much-needed individual assistance time for our students, we will include an AM Nurture, Enrich, and Study Time or NEST period on most Fridays according to the bell schedule below.

The expectations for NEST are as follows:

- Students will report to the appropriate class by 7:40 AM but as early as 7:25 AM. Late students will report to the office as usual.
- Period 1 teachers will take attendance by 8:15 AM.
- NEST will run on a rotating basis based on class period. i.e. 1A, 2A, 3A, etc. Doing so allows all staff to see all of their assigned students at least once each semester.
- Students must get agenda books signed in order to attend another teacher’s classroom during this time and remain with that teacher.
- Non-instructional staff members will need to monitor hallways during the advisory period.
- If schools are delayed or closed on a scheduled NEST day, the scheduled NEST period will not be made up.
