What to Bring

Connected, Collective, Community

Connected - authentic, caring and genuine relationships

Collective- All means ALL

Community - our school community is a family

How can I be a good or positive part of my someone's day?

What strengths or skills do I have that I can use today to bring good to this school community?

BE THE GOOD...

How can I be good to myself today; how can I practice self care and recognize that I am important to this school and community?

How can I find ways
to point out the good
in my kid today?

What can I celebrate
about our school
community today;
what can I take away
as a learning
experience from
something that didn't
go well?

What can I celebrate
today about my role
as a member of this
school community or
myself?

- Students should pick up a HCPSS Chromebook during orientation if they do not have one already assigned to them.
