Seminars offered for the SY 2015-2016:

Television Production (HCTV)

HCTV crewmembers create a daily television broadcast using advanced level journalism and technology skills. Must be able to arrive at school by 7:20 AM.

Middle School Book Club

Book Club members meet once a month at lunchtime to discuss a pre-selected book. There is also a monthly countywide meeting at the Howard County Library Miller Branch for a thought-provoking discussion of the high-quality literature.

Environmental Awareness Committee (Green Team)

Team members develop their interest in the environment, help school recycling and energy conservation efforts, and promote awareness of environmental issues in the school and community. Team members will also be responsible for submitting an entry in the Environmental Film Festival. Members meet every other week at lunchtime.

Lego Robotics

Using the LEGO Mindstorm robotics' kit, students have the opportunity to develop skills in designing and programming a LEGO robot. Must be able to meet afterschool from 3:00-4:15 on Wednesdays through December.

School Newspaper

Reporters needed! Including, sports reporters, fashion reporters, and entertainment reporters! Ever wonder what it would be like to write the news, not create the news. This seminar is for students who love writing and journalism. This year we will create a school web-based newspaper and newsletter, practicing and editing writing as well.
