On Wednesdays, students in Group E will travel to each of their classes for additional supports. All students will engage in FLEX/SEL synchronously from 10:35-11:05 am. Once Group E students have been dismissed, teachers will provide office hours for students in Group V.

Note: While the class periods are about 85 minutes in length, students will be engaged in whole group instruction for about 50-60 minutes of the class period. The remaining 20-25 minutes will be focused on small group, supports, and/or independent work. For Period 3, schools may include additional transition/break time as needed to ensure necessary cafeteria cleaning. The classroom teacher will communicate the specific times to log onto Google Meet for days that students are virtual.
