

# Oct. 28 9-11a.m. MAP Make Ups

Students who will wish to finish or in some cases start MAP may join us virtually via google meet (see slide 5) from 9-11a.m. on Oct. 28.

Students who have started MAP are encouraged to finish it.

Please contact [Michele Hewitt@hcpss.org](mailto:Michele_Hewitt@hcpss.org) with questions.

# Students Exempt from participating in MAP Math

**Reminder:** Students enrolled in Algebra or Geometry (regular or GT) this year will ***not*** participate in MAP Math.

# Students Exempt from participating in MAP Reading

## Reminder:

Students enrolled in 8th  
Grade GT ELA are exempt  
from MAP Reading.

# How to get to Google Meet for MAP Testing

Students received Google Meet Information for MAP Math testing in Homeroom classes today, Oct. 12.

How does my child get to Google Meet for MAP testing?

1. **Open** a new tab on device
2. **Go** to HCPSS.me
3. **Click** on Google Meet picture icon.
4. **Click** on “Join or Start Meeting”
5. **Type** the meeting code for either Math or Reading (select the google meet for which your child needs to start/finish).

**\*Please prioritize completing the test that your child has already started.**
